Our beautifully Viper here at APD hides some SICK upgrades under the hood to increase that already high horsepower just past 800hp, greatly cared for with low mileage, and the overall condition is amazing for the age! If you're searching for a fun weekend warrior or a great show car, then look no further than our Dodge Viper parked here in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury Vehicles!
