2018 Dodge RAM 2500 Tradesman

A classic three-quarter ton long-bed pickup with a regular cab built to get work done. This RAM is driven by a 6.4L V-8 that produces 429 hp and 410 lb-ft of torque and can pull up to 12,900lbs. That's an incredible towing capacity for a gasoline V8, plenty for anyone not moving heavy equipment. There are a total of three seatbelts for the bench seat & storage behind the seats. Conquer terrain in any job site with 4x4. Falken WildPeak tires wrap the 18" Dodge wheels.
