## Vehicle Description

We are offer this 2018 Ford F150 regular cab with an 8-footbed that has the 5.0 V8 engine with a trailer tow package. These trucks with the long bedsare getting hard to find and especiallyequipped like this one. Beside the V8 engine it has power windows and door locks with steering wheel controls and cruise control. There is a spray inbedliner also. And to top it off it has a nice set of matching tires on it and the spare tires has never been used. This is anexceptionally clean truck both inside and out. There is one exception, if you look at the pictures there is a small ding in the right front fender and hood. We were undecided on whetheror not to have it fixed because it will cost approximately eight hundred dollars to repair it. This would be something that you would need to look at to decide whether or not it would be worth that money or to just buy it like it is. We have had it inspected for any mechanical or electrical issues and it came back with a clean bill of health. Look at the pictures and see what you think. If your interested in comingin to check it out,you can either give us a call or text Rocky Reynolds to 214-542-7794 and we can set up a good time for you. We are a family owned and operated business in Texas since 1959. We deal mainly work-relatedtrucks and some SUV's. You can email us,but we have been having a little trouble with the email as of late,so it is best to call or text. Thank you for looking at our vehicle and we look forward to working with you.
