Body:	Pickup Truck
Exterior:	White
Engine:	ENGINE: 5.0L V8
Interior:	Gray Cloth
Mileage:	74,163
Economy:	City 17 / Highway 23

We offer this 2018 Ford F150 regular cab with an 8-foot bed that has the 5.0 V8 engine with a trailer tow package. These trucks with the long beds are getting hard to find and especially equipped like this one. Besides the V8 engine, it has power windows and door locks with steering wheel controls and cruise control. There is a spray-in bedliner also. And to top it off, it has a nice set of matching tires on it, and the spare tires have never been used. This is an exceptionally clean truck both inside and out. There is one exception; if you look at the pictures, there is a small ding in the right front fender and hood. We were undecided on whether or not to have it fixed because it will cost approximately eight hundred dollars to repair it. This would be something that you would need to look at to decide whether or not it would be worth that money or to just buy it like it is. We have had it inspected for any mechanical or electrical issues and it came back with a clean bill of health. Look at the pictures and see what you think. If you are interested in coming in to check it out, you can either give us a call or text Rocky Reynolds to 214-542-7794 and we can set up a good time for you. We are a family-owned and operated business in Texas since 1959. We deal mainly with work-related trucks and some SUV's. You can email us, but we have been having a little trouble with the email as of late, so it is best to call or text. Thank you for looking at our vehicle and we look forward to working with you.
