No midsize truck is as popular as the long running Toyota Tacoma! This one has the combo everyone wants, a 4x4 V6 Crew Cab that hasn't been heavily modified. As a matter of fact, a leveling kit and tri fold bed cover are the only aftermarket parts on this clean truck from 2016, and it's only accumulated 69k miles over the last 6 years. The interior has a set of all weather Husky liners and a big touchscreen with navigation, bluetooth, and a back up camera. Every surface inside and out seems to be spotless as this truck appears to have only touched pavement and no dirt. Toyo Open Country tires are prepared to do so, but it's so clean that you may be the first to hit a trail in it. Financing is easy and trades are welcome, so call or click today!
