## Vehicle Description

Here is one for you if your in the market for a real clean crew cab 4x4 truck that is as nice as they come. It has a clean Car Fax history with plenty of service history. You can tell by looking at this truck that the previous owner took a lot of pride in ownership of his truck by the condition that it is in both inside and out. The leather interior is immaculate and shows very little signs of wear. There is a set of molded floor mats in this truck and the carpeting looks like new underneath them. The factory black metallic paint shines like a new one. This truck is powered by a twin turbo V6 Ecoboost engine that runs perfect and has no issues at all. The transmission shift like it is suppose and the four wheel drive works great as well. There is also a six inch lift on this truck with oversize tires but has the factory wheels on the and they are free of any curb rash. This is a real clear low mileage truck that runs and drives exceptional. We have had it inspected for any mechanical issues and it came back with a clean bill of health. It was then inspected and detailed so the next owner would be proud to own this truck. Look at all of the pictures and see what you think. If you like what you see and would like to come out and look for yourself all you have to do is call or text Rocky Reynolds at 214-542-7794 and he will work with you for a good time for you to come in. We ask that everyone make an appointment so that we don't get a lot of people here at the same time. We want to keep a safe environment for our customers to shop in. We are a family owned and operated business in Texas since 1959 and I am the second generation owner and operator. We would love the opportunity to earn your business. Stay safe!
