Vehicle Description

A super nice 2011 Ford F150 Crew Cab 4X4 that is as nice as they get. It was born and raised in Texas and has been well maintained by it's previous owner. The exterior of this truck looks as good as new. The paint shines like a new one and no major dings or dints. The cloth interior is stain free and is fresh as can be. This truck has a lot of equipmentand it all works like it was designed to. Take a look at all of the pictures and you will see what I am talking about. It is also setting on a brand new set of matching tires that might have a couple of hundred miles on them. We search long and hard to find the nicest used truck out there for our many previouscustomers. We have been in business since 1959 and are family owned and operated. You won't find any push salesperson here because that is against our policy. If your in the market for a nice used truck or SUV and don't want to spend a ton of money you should give us the opportunity to earn your business. We look forward to hearing from you. If you should have any questions at all regarding this or any other of our vehicles please give Rocky Reynolds a call or text at 214-542-7794 and he will be gland to try and help you.
