## Vehicle Description

You in the market for a nice used truck with a good clean Car Fax history for under 20K? Trucks are getting hard to find these days that are affordable and in good condition. This truck is very clean both inside and out and has some nice equipment. There are power windows and door locks with tilt wheel and cruise control with alum wheels with an almost new set of matching tires. We have had it run through a service department so check for any mechanical or electrical issues and it checked out good. We have also had it inspected and serviced so it is ready for a new home. This truck runs and drives down the road excellent and has plenty of pep if you need it. It is powered by 3.5 Twin Turbo engine with an automatic transmission. It does have a trailer towing package and a bedliner as well. If you have any interest in our truck and would like to ask some question or just make an appointment you can call or text Rocky Reynolds at 214-542-7794 and he will be happy to help you. We do offer Bank financing and we will work with your Bank or Credit Union if you choose. We are a family owned and operated business in Texas since 1959. There is a good reason we have been in business for such a long time. Come in and experience the easiest car buying experience that you have ever had. Look forward to hearing from you.
