| Mileage: | 8,639 |
| Drivetrain: | 4 Wheel Drive |

Vehicle Description

1987 Chevrolet Silverado V20

Square body pickups are HOT right now, and you're not going to find another one like this. Since 1987 there have been only two owners, although the most recent owner has had the vehicle since 1988. Included in the sale is the original registration sticker from 1987 and the owner's manual.

1987 is the first year for the fuel injection system.

In 2011 the pickup was repainted properly in beautiful early 2000s Viper Blue. The firewall, the dash, the door jams and inside the bed were all painted at that time. The truck was converted from dual fuel tanks to a single on the driver's side. The bed is clean. All factory A/C components are present, although the compressor needs replaced.

All wheels are true to the factory. The smog equipment is original and present. A couple of rare features for the model year are the analog clock in the dash and the tilt column wheel. Carpet in the cab was replaced in 2011 and remains in incredible condition.

Under the hood is Chevrolet's 5.7L 350 and the automatic turbo 400 transmission. Come see this beauty before it's gone.
