Drivetrain:	Rear Wheel Drive
Economy:	City 18 / Highway 25

A real nice lease return just came in. This truck is very nicely equipped. It's powered by the 3.5 V6 engine with automatic transmission, tilt wheel with cruise control, power windows and door locks and power mirrors & a backup camera. There is also a fiberglass bed cover that is easily removed if you want an open bed. There are four real good matching tires on it as well. This truck has just been run through a service department to have it checked for any mechanical or electrical issues and it came back with a clean bill of health. We like to buy lease return trucks because they have to have them serviced on a regular basis to stay in compliance with their lease agreement. The outside of this truck's shines like a new one and the cloth interior is as clean as you will find on a used vehicle. When you get behind the wheel and take this truck for a drive you will be very satisfied about how well it runs and drives. We have just had it inspected and detailed, so it is ready for its new home. If you should have any interest in this truck and would like to come in to check it out just give Rocky Reynolds a call or text to 214-542-7794 and he will help you arrange for a good time for you. We are a family owned and operated business in Texas since 1959 and we will guarantee that you will like the way we do business. We would appreciate the opportunity to earn your business.
