Talk about a TRUCK! This beautiful 2015 Ford Super Duty F-250 Lariat has the B20 6.7L Turbo Diesel V8, 6 Speed Automatic transmission, and 4x4 drivetrain finished with Electronic Locking 3:55 gears. All of the horsepower and torque turns these 35x12.50 All Terrains and 20x10 Moto Metal wheels with ease. It's been lifted a few inches to eliminate any rubbing although it's still easy to get in and out of with the factory steps in tact. It's only accumulated 150,000 miles so far and (without a pre-existing 5th wheel) they were probably easy going miles vs towing miles. The interior is in good-to-great shape depending on how strict the critic is and you could say the same for the paint. Watch the video for a close up on the flaws we were able to see and a glimpse at the underside. We had a full service done to prepare the truck for it's new owner and are happy to say it has a clean bill of health. It is LOADED with the Lariat Ultimate package with heated/cooled leather seats, navigation, back up camera, sunroof, trailer brake, air brake, power pedals, bluetooth, and much more. The more you look, the more you discover! Trades are welcome and financing is easy, so call or click to see if its still available!
