Here is the one you don't want to miss. A super nice, low miles Kia Sorento SX that is as nice as they come regardless of age, miles or price.

Loaded with all the options, far too many to list but just to mention a few: Leather interior, Power heated/cooled front bucket seats with memory on the drivers side, third row seating, Factory radio with cd player, navigation, back up camera and rear parking aid, usb/aux inputs, steering wheel controls, factory tilt and slide panoramic roof with power shade, Phone integration, Blind spot detection, Power rear hatch, Power windows/locks/mirrors with fold feature, dual zone climate control, cruise control, tilt and telescopic steering wheel, Factory alloy wheels. The list goes on and on. Everything works and operates just as Kia designed them to, the a/c is ice cold, the heat hot,

absolutely no electrical issues at all.

The 3.3 V6 engine simply purrs like new, the auto transmission shifts real smooth, it drives in a straight line on a good set of tires. Completely free of any mechanical problems. All the recalls have been done. There are no dents or damage to the bodywork and the interior is just like new, no stains, holes, rips tears or imperfections to the seats, carpets headliner or door panels.

If a good solid 3rd row Suv, that wont break the bank, is on your shopping list be sure to check this one out before you buy, you will love the vehicle and the very laid back no pressure way we do business.
