Vehicle Description

2015 Chevrolet Silverado 2500HD

This behemoth of a truck has only two previous owners and a clean CarFax history. It is the last production year for this body style but features a well-refined 6.0L V8 gasoline engine from General Motors Vortec engine lineup. Made for work, it produces 360 horsepower and 380lb-ft of torque. The transmission is a 6-speed automatic with OD.

Behind the full-sized cab is an 8ft bed with a bedcap offering an enclosure much bigger than the bed with a flat tonneau cover. You get all the power and convenience of a 3/4-ton gasoline-driven pickup with the option to utilize the space from a cargo van.

The interior remains in good condition and Chevrolet's MyLink infotainment system was arguably the best you could get domestically in 2015. This truck does not have a rearview camera but does have tow mirrors to assist your sight. Come see it in person to appreciate how much covered passenger and cargo capacity this rig offers.
