Vehicle Description

2017 RAM 2500 Laramie

If you're in the market for a diesel pickup stop here. This truck is a behemoth from down south and it looks every bit the part. With a 4-6" lift and 35" M/T tires wrapped around premium 20" GFX wheels, this monstrosity carries a presence that cannot be ignored.

Dodge's Laramie package leaves little to be desired combining modern technology and soft leather comfort in a quiet cabin. The heated and cooled leather seats are nice for the driver and passenger, while the rear seat of the crew cab benefits from a lot of extra leg room.

If it's work your doing, look no further. This pickup can get up & go with a full crew. The 6.7L turbo-diesel pumps out 370 horsepower and 800lb-ft of torque. There is storage in the RAM boxes in the bed and also in the backseat floor. Come see this monster before it's gone.
