# **Vehicle Description**

What a nice SUV. This Encore is as nice a used vehicle that you will find. It was traded intous on a pickup. He hated to getrid of it he said but he needed a truck for around the house. The interior of this car looks as close to new that you will find, and the exterior has no dings or dents and the paint shines line new. Ther is an almost new set of matching tires on it as well. He has all of the maintenance receipts in the glove box that he kept. This car runs and drives like a new one and I don't say that very often. We have had it checked out and everything on it is in good working order and it needed nothing. About the only thing I can think of that it needs is a new home now. Come by and check it out and I will guarantee that you won't be disappointed. If you would like to make an appointment you may do so by either calling or texting to 214-542-7794. We would appreciate the opportunity to earn your business. We are a family owned and operated business in Texas since 1959. We do businessthe old fashion way. Look forward to hearing from you soon.
