Here is a local vehicle that is a one owner with a clean car fax history and serviced here locally. This is a super loaded Explorer XLT with options like leather interior, power sunroof, navigation, backup camera, dual power seats, climate control, steering wheel controls, factory alloy wheels, third row seating, and a super nice SUV. It was bought new in McKinney and some service done there as well. This vehicle has about all of the options that a Limited Edition has with the exception of the price. We have had it serviced and inspected and then detailed and clean up. When it was serviced, they found no mechanical or electrical issues so this vehicle is ready for a new home. With used vehicles so hard to find these days with clean Carfax history's and priced somewhere near the market value that we jumped and the chance when we were offered this vehicle. It runs and drives and you won't find any unexpected noises or other faults with this SUV. It is a sweet Explorer. If you are in the market for a SUV that is in good condition and one that will last you awhile then you might want to come take a look at this one. We can provide Bank financing or you can use your own Bank or Credit Union. We are family owned and operated in Texas since 1959. Come by and visit with us a you will see why we have been around for such a long period of time. We look forward to working with you and would really appreciate the opportunity to earn your business.
