1987 Chevrolet V10 Custom Deluxe

This recently built & restored Chevy V10 Custom Deluxe is incredibly powerful and a beauty to look at. We replaced the 305 with a 383 stroker; it got new plugs, headers, harmonic balancer, Holley fuel pump & more. A dual exhaust system was installed from the headers back and includes two aggressive Cherry Bomb Glass Pack mufflers. Additional upgrades include a high volume water pump & new radiator.

The interior was impressively reconditioned and features both factory air and a new radio that matches the period look but utilizes modern tech. The steering wheel is a 14" carbon fiber design; it looks upgraded without being gaudy or out of place.

Underneath the truck was lifted 4" with front & rear leaf springs, has a stabilizer and was outfitted with new brake lines. The wheels have 2" spacers. A new tow hitch and hard-fold tonneau cover were both added at the same time. 33" Falken Wildpeak A/Ts wrap the 15" Cragar hotrod wheels for a classic regular-cab pickup look.

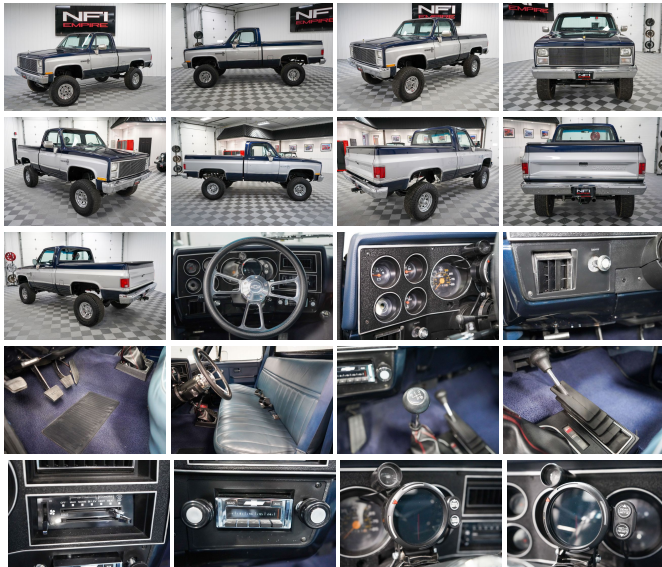

Come check out this truck because it will not be here long.
