A terrific buy on this 2018 Cadillac Escalade that is loaded out with equipment and really nice. If your bargain hunting for a Escalade then this one should go on your list. This SUV runs and drives excellent, has all of the options you could ask for and it certainly has a lot of eye appeal. All of the options work like they were designed to. We have had it checked for any mechanical or electrical issues and none were found. The owner took a trip to Arkansas in it and said it was a very nice vehicle to take a trip in. This car shows minor damage on Car Fax it we were told by the dealer that it had some hail damage which has been taken care of. We couldn't tell by looking that it has ever had any damage. There are no dents or dings on this car and the leather interior is in fantastic condition. Look at all of the pictures and see what you think. If you like what you see and would like to come check it out just give Rocky Reynolds a call or text to 214-542-7794 and he will help set up a good time for you. We do offer Bank Financing or we will deal with your Bank or Credit Union. We accept trades as well. We are a family owned and operated business in Texas since 1959 and would love the opportunity to earn your business.
