2017 Ford F150 Lariat

This Lariat is loaded with options both tech and comfort. It has had only two owners and maintains a clean CarFax. Inside this quiet, comfortable cabin are leather seats spacious enough for adults in the second row. Both rows are heated although only the driver and front passenger can enjoy the cooled leather seats. Ford's Sync infotainment system powers the radio and navigation systems.

On the outside is a hockey stick emblem in black, a stark contrast against the white body. Black rain guards and a hood deflector round out the black accents while the grill and bumpers are chrome. Ford's 18" brushed aluminum wheels are wrapped with 295/70 Mastercraft tires with an aggressive tread.

Under the hood is Ford's turbocharged 3.5L EcoBoost, more fuel efficient than their V8 and just as capable. Motortrend writes "As before, the F-150's sense of highway-rolling invincibility is reinforced by the easy speed and quiet cabin. It's a quietness that's interrupted by the pleasing thrum of the V-6 upon rolling on the throttle."

Come take this pickup for a drive and be surprised at how well the EcoBoost performs.
