WOW! This is a super nice Ford Edge Limited with excellent mileage and a One Owner vehicle. It has twenty-sevenservice histories,so it has been well cared for by itsprevious owner. It shows one minor incident on Car Fax and I understand that it was a small ding in the front bumper that has been repaired. Outside of that everything else is service. These vehicles are hard to find with great mileage, a long service history and in excellent both inside and out. Just look at and driving this vehicle you can tell that the previous owner took a lot of pride in ownership of his vehicle. The exterior paint shines like it did the day he bought and the leather interior is just a nice as the exterior. There are very little sings of wear on the interior. All of the many options on it work just like they were designed to. We were able to purchase this vehicle from a Ford dealership so it has been through their service department so anything that needed done to it was taken care of. We had it checked out ourselves just to make sure and it came back without needing anything. We drove this for eight to ten miles just to make sure and it was a pleasure to drive. All of options work like they were designed to and I might mention that it has a new set of Ferrelltires on it all the way around. You don't often find a used vehicle that is this nice and priced like it is, If you are in the market for a super nice SUV and don't want to spend a ton of money yet get an excellent vehicle then you might want to come in and check this one out. If you decide to come in it would be great if you made an appointment. You can do so by either calling or texting to 214-542-7794 and Rocky Reynolds will set up a good time for you to come in. We are a family owned and operated business in Texas since 1959. We have been able to stay in business for this long because we still work the old fashioned way. There in no pressure here. We give our customers the opportunity to buy from us, we don't try and sell you anything. We do take trades and we offer Bank financing. We are not a buy here, pay here. We would appreciate the opportunity to earn your business. Look forward to hearing from you.
