Vehicle Description

BECAUSE OF THE AGE OF THIS VEHICLE WE ARE NOT ABLE TO OFFER FINANCING.

I would consider this car to be a near original condition unrestored survivor from the 1980's. Put on your one glove like Michael Jackson, spike your hair like Billy Idol, and wear your original Nike Air Jordan's. Turn off the MTV and just go drive.

One of the coolest things about this car is the badging. On the rear hatch there is both a Nissan badge and a Datsun badge. As for the originality in the cabin the factory radio was replaced long ago with a very time period correct Kraco unit. Under the hood there are no modifications and no annoying aftermarket exhaust.
