WOW the only word you need to describe this super, super nice Ford F150 SuperCrew Lariat 4x4 truck.

Finished in stunning blue paintwork with no blemishes at all. The interior leather is flawless.

Loaded with all the options you could ask for and everything works and operates just as Ford designed them to. The climate control is both ice cold or hot. The ever popular Ecoboost engine simply purrs, the auto transmission shifts real smooth, as does the shift on the fly transfer case.

This truck looks, runs, rides, drives and stops just like when it was new. Come to check it out and you will be very

impressed.
