We are proud to offer you this 2017 Ford

Mustang GT Premium with Many Upgrades for sale!

This pristine 2017 Ford Mustang GT Premium is a perfect example of high-performance American excellence. Under the hood is a 5.0-liter V8 engine that produces 435 horsepower and 400 lb-ft of torque, all of which is sent through a six-speed manual transmission to the rear wheels. This engine is not stock, however, having been tuned and fitted with a GT350 intake manifold and PMAS cold-air intake, among many other upgrades. Wrapped in an attractive tan and fitted with VMS Racing wheels that are 18" in the front and 17" in the rear, this drag-packed machine has an exterior that matches the power under the hood. The interior is also incredibly well-equipped, having been fitted with leather bucket seats, a dash-mounted nGauge digital gauge, and an aftermarket infotainment panel with Bluetooth, phone connectivity, a rear camera, and touchscreen comfort controls.
