A super nice 2013 Ford F150 Crew Cab 4x4 Platinum Edition that is just a super nice truck all the way around. It has a good set of Michelin tires on it, a fiberglass bed cover, spray in bedliner and all of the available options you can order. There are DVD mounted in the headrest's, power running boards and a 3-inch lift. This truck has been well cared for by its previous owner and it is obvious when you look at and drive this truck. The leather interior looks like new as does the exterior. The paint shines like it did when it was new. The fiberglass bed cover has kept the bed looking new as well. All of the many options work like they were designed to and the a/c is ice cold. The truck has the bulletproof 5.0 V8 engine that has been around for years and it is used in most all of the Ford trucks. We have had a mechanical and electrical check done on it and it came back with a clean bill of health. You really need to look at and drive this truck to appreciate just how nice it is. Look at all of the pictures and see what you think, If you like what you see and would like to come in and check it out please give Rocky Reynolds a call or text to 214-542-7794 and he will work with you for a good convenient time for you to come in. We do offer Bank financing and take trade-ins are welcome. We would appreciate the opportunity to earn your business. We are a family owned and operated business in Texas since 1959 providing reliable clean used truck to our customers.
