Vehicle Description

2018 BMW 3 Series 330i

The hatchback/wagon allows for a full-sized rear seat for passengers or cargo without adding more space for a trunk like you might find on a sedan. The technology is there too; BMW's infotainment system features options such as navigation and Apple Car Play.

This turbocharged inline 4 makes 248 horsepower and the 8-speed automatic with OD changes gears to keep efficiency front and center. In an era where too many vehicles are variable AWD, BMW continues to utilize their xDrive, a full-time AWD system that controls power to both axels as needed.
