Reviews:

\* If you're looking for the tall ride height, all-wheel-drive (AWD) traction and flexible cargo carrying capacity of a compact SUV, but you don't want to sacrifice style, power and creature comforts, the 2014 Kia Sportage deserves a good long look. Source: KBB.com

\* Eye-catching styling; powerful engines, particularly the turbo engine in the SX trim; sporty handling; good value; generous warranty. Source: Edmunds

\* Good things come in perfectly sized packages, including the 2014 Kia Sportage. It delivers key performance benefits of a crossover, including agile, sporty handling, while four wheel independent suspension provides a remarkably smooth and comfortable ride. The Sportage is roomy and versatile, and the comfortable seats reconfigure for abundant cargo space. Numerous compartments and an available cooled glove box help you keep your personal items readily at hand. A dramatically designed tilt-and-slide panoramic sunroof is also available, and it extends along the length of the roof for you to enjoy big-sky views. Sportage is designed to let you dial up the fun factor every time you drive. Sportage LX and EX provide strong acceleration, thanks to their 182hp DOHC I4 engine. Sportage SX, with a turbocharged 260hp 2.0L Gasoline Direct Injection I4 engine, delivers even more driving excitement. An available 6-speed automatic transmission provides smooth, virtually seamless shifting. Its Sportmatic design allows you to choose the automatic mode or, for a sportier driving experience, clutch-free manual shifting. Sportage provides spacious seating for five adults.

It has an available power driver's seat with lumbar support and, for your comfort as well as your front passenger's, available dual-zone temperature control with an advanced, ionized air-filtration system that provides purified air. Sportage has advanced technology designed to enhance your comfort, convenience and audio entertainment. Available features include heated front seats, a ventilated driver's seat, SiriusXM Traffic, a Smart Key that lets you unlock the door and start the engine with the key in your pocket, and the innovative UVO infotainment system which lets you use your compatible cell phone to make hands-free calls, receive and respond to text messages, listen to streaming audio, enjoy your personal music, and play your favorite song, artist or genre of music all by giving a single voice command.
