Your looking at a nice 2012 Ford F150 Super Cab with the 3.7 V6 engine with automatic transmission and power windows and door locks. It also has factory alloy wheels with Michelin tires, bed liner and a good solid truck. It runs and drives excellent and all of the equipment on it works like it was designed to. We have had it checked out mechanically and it came back with a clean bill of health. We do this on all of our trucks so they are eligible for an extended warranty if you choose to have one. This truck has a clean car fax history with no accidents which is hard to find these days. We have quite a few work trucks available if this is not exactly what your looking for. If you would like to come in and check out what we have or to just ask a few questions please give Rocky Reynolds a call or text to 214-542-7794 and he will be happy to try and help you. We also have Bank rate financing available if you are interested in that and we except trade-in's. We are a family owned and operated business in Texas since 1959. We deal mainly in trucks and SUV's so if we don't have what your looking for we may be able to help you run one down. Give us a call!
