EXTREMELY RARE! This 1957 Mack B85 Stake Bed is a true show piece! This truck was fully remodeled! It was transformed from a fire engine truck into a show truck.

When it wasn't being showed off, it was stored safely in a garage.

The truck is equipped with a very long 23' stake bed body, and powered by the huge 707ci (11.6L) inline six cylinder gas engine.

This monster is taken to a halt by the Air brakes. The interior is gorgeous! Transmission: twin stick split transmission.
