Here we have a super nice, 1 adult lady owner, Mazda CX5 Touring, and yes that is not a typo this Vehicle has only been driven 53k miles(less than 7k miles per year).

As you would expect of such a low miles, well maintained Mazda this CX5 is in remarkably good condition.

The 2.5 Skyactive DOHV engine simply purrs like new. The auto transmission shifts really smooth it drives as straight as an arrow on a real good set of Michelin tires, totally free of any mechanical issues. Everything works and operates just as Mazda designed them to, therefore no electrical problems whatsoever. The a/c is ice cold, the heat hot.

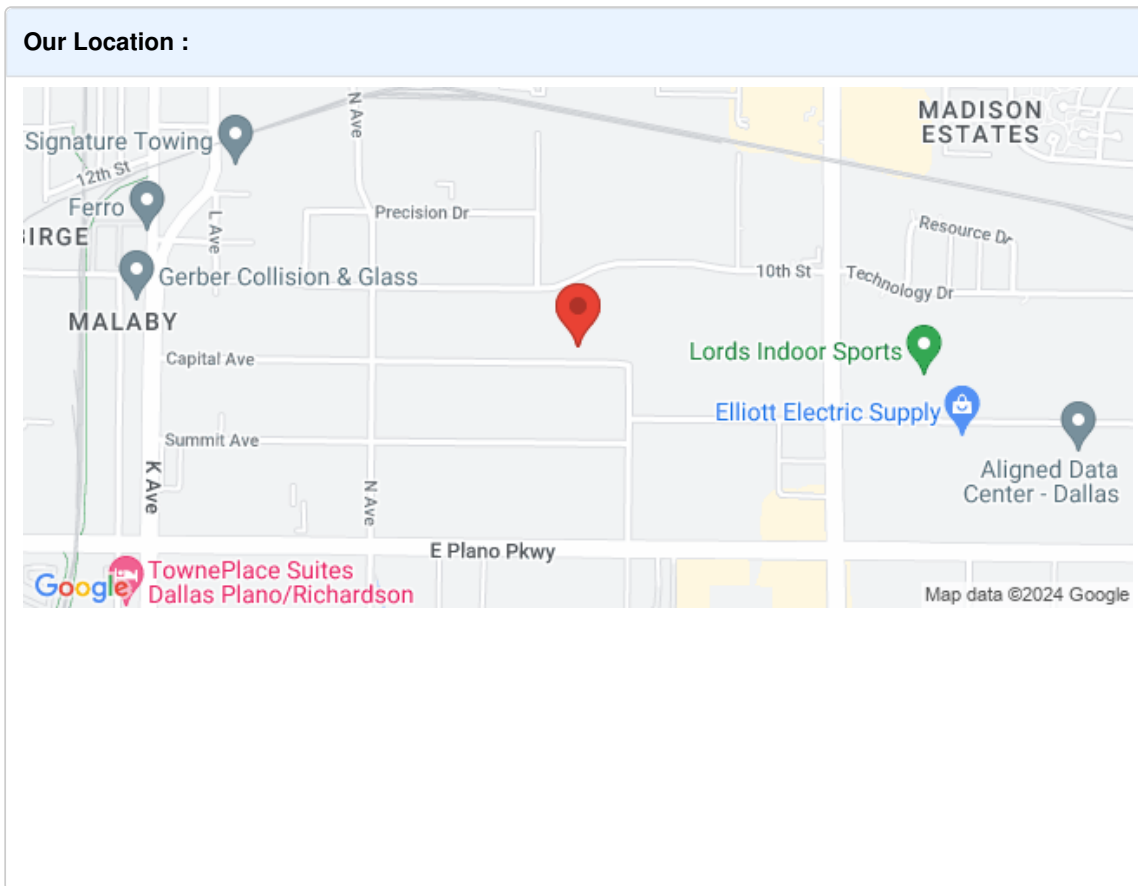

The paintwork has a showroom shine, the interior is just about flawless.
