There is roof AC

THERE IS NO AC
unit that works.

The LP system works,
we had to check the
system with one of our
LP bottles since the LP
bottles are missing on
this camper.

The Furnace Heat,
Water Heater and
Stove top try to function
with our LP.

The microwave turns
on, although we did not
cook anything in it.

The water system
works.

The fridge works.

The awning works as
you can see in the
photos but the awning
material is the original
and really needs to be
replaced.

The tires have older date codes.

The keys, power cord and LP tanks are missing.

If you do not see it, or I do not show it functioning or it is not listed in this description, then I did NOT check it, it is missing or similar. The only items checked are listed or shown in photos.
