Vehicle Description

2018 Acura TLX A-SPEC

The A-SPEC trim from Acura adds various changes to the TLX to set this car apart as a sport sedan all it's own. 19" gray wheels add to the sporty look, and the technology package is standard inside too. A premium audio system pipes out the audio, the radio a touchscreen that features navigation and Sirius radio. The seats are a suede faux leather, heated & cooled and ultimately comfortable for the ride.

Under the hood of this sports sedan is a 3.5L V6 making 290 horsepower to all four wheels. A 9-speed automatic transmission controls the gearing and is impressively fuel efficient for the performance. The suspension is tuned to be tighter, helping in the corners.
