We are proud to offer you this 2014 BMW i8 with Many Upgrades for sale!

This 2014 BMW i8 is BMW's highly successful

attempt to create a hybrid supercar that competes in a different class of car than BMW's usual market. The car is powered by a turbocharged three-cylinder engine that works in tandem with a hybrid electric motor to produce 357 horsepower and 420 lb-ft of torque, which is delivered to the road through BMW's all-wheel drive system. Equipped with 22" ADV-1 multi-piece wheels and finished in a subtle Sophisto Gray Metallic, this BMW has a dominating presence that's aided by the addition of a carbon fiber front lip, a carbon fiber ducktail spoiler, and carbon fiber side skirts. Inside, the i8 has been fitted with a variety of amenities, including heated leather bucket seats, a Harman Kardon sound system, and an infotainment display with Bluetooth, navigation, and a rear camera, among many other features.

LIST OF FEATURES & UPGRADES:

1.5-Liter Turbocharged 3-Cylinder Engine
