Lease return just arrived. This one is just nice as heck all the way around. It was a foreman's vehicle and you can tell by the condition of this truck. The Car Fax shows to be a one owner with no accidents vehicle and it was a local truck. The interior of this truck looks like new and the exterior has no damage and still shines like a new one. It has plenty of equipment on it like tilt wheel with cruise control, am fm radio, power windows and door locks and much more. It has the 3.5 V6 engine that will get you good gas mileage and can enough power to pull a trailer as well. It has the receiver hitch already and has an engine and transmission oil cooler. There is a nice headache rack, tool box and spray in bedliner and it looks like nothing has ever been in the bed of this truck. It's that nice folks! We have had it checked for any mechanical and electrical issues and none were found. This is simply and very nice used truck that will give you years of service to it is kept up like it has been. If you should have any questions regarding this truck please give Rocky Reynolds a call at 214-542-7794 and he will try and answer your questions. We would appreciate the opportunity to earn your business. We are a family owned and operated business in Texas since 1959.
