## Jayco 267bhs - Bunkhouse

Like new Jayco bunkhouse model super slide travel trailer. One owner consignment rig used one trip from Ohio and stored at Pro trucks ever since. Very few one-owner come around these days and this one is a beauty.

Double-sized bunks, large kitchen pantry, jack-knife sofa, private toilet & tub/shower, outside kitchen, 16' power awning, and much more. A larger family or group of friends can enjoy camping together in this trailer thanks to the booth dinette and jack-knife sofa slide providing more interior floor space and a place for two or maybe more to sleep at night.

Double-sized bunks are a fun place to sleep when you need four more spots, plus the privacy curtain will come in handy. The private toilet and tub/shower will keep everyone refreshed and the bathroom sink is just outside the door allowing two people to get ready at one time. The front bedroom offers the owners privacy and there is dual access, two wardrobes, and a queen bed to enjoy. The cook will find full amenities indoors. Plus there is an outside kitchen to make more meals!!

With any Jay Flight SLX 8 travel trailer by Jayco, you

will have a durable foundation with I-Class cambered structural steel I-beams, a fully-integrated A-frame, seamless roof material, and a Magnum Truss Roof System with plywood decking for a 50% stronger roof than any other in the industry. Also included are Goodyear Endurance tires made in the USA, and a front diamond plate to protect against road debris. Inside, you will love the fresh interior design, the solid hardwood cabinet doors, the 81-inch tall ceiling, the energy-saving LED lighting, and the storage. Whether you are looking for an RV for a small or large group, you will find a Jay Flight SLX 8 to fit your camping lifestyle!
