Truly a truck of the future, this 2020 Ram 2500 blends style, sophistication and strength in an effortlessly sleek shell. Boasting impressive towing and payload numbers, it's no wonder heavy duty truck owners are madly in love with the capability this truck brings to the table. Whatever the job, your last worry will be whether your truck can handle the job. With that strength comes an endlessly reliable and durable frame, necessary when the elements get to working on your truck. It's fortunate then that while the outside of your truck stands pat, the interior offers luxury and comfort one might expect from a limo. Modern tech and utility put a nice bow on a truck that feels like a Christmas present every time you get behind the wheel. Features include: bright chrome wheels, all-terrain tires, chrome bumpers, chrome grille, spray-in bedliner, Gooseneck hitch kit, deep tinted glass, trailer brake controller, rearview park assist camera, active noise control system, push to start, premium cloth seats, Uconnect radio system, Bluetooth connectivity, steering wheel mounted cruise control and LOTS more!
