Exterior:	Red
Engine:	ENGINE, VORTEC 6.0L VARIABLE VALVE TIMING V8 SFI
Interior:	Gray Cloth
Mileage:	156,569
Drivetrain:	4 Wheel Drive

Vehicle Description

This is a real nice 2011 Chevy HD 3500 single wheel crew cab 4X4 truck that is from South Texas. It was a trade in at a new car dealership and we were able to obtain it. This truck will check all of your boxes if you're looking for a nice HD truck that has been well cared for by its previous owner. It has a good clean Car Fax history with a lot of service done. For the year model and make it has low miles on it. It has the 6.0 Vortec V8 engine with automatic transmission. A few of the additional options are tilt wheel and cruise control, aluminum factory wheels with a new set of Michelin tires on it. There is a goose neck in the bed along with the plug for your trailer lights plus a receiver hitch. The bed is in real good condition with the exception of some scratches which is common on these types of trucks. It has just been through the service department to check for any mechanical or electrical issues, and none were found. It runs and drives down the road excellent and has ice cold A/C as well. If you should have any interest in this truck, please give Rocky Reynolds a call at 214-542-7794 and he will be happy to work with you on a good time for you to come in and check it out. You won't be disappointed! We are a family owned and operated business in Texas since 1959. You won't find any salesman trailing you around here while you look. We would appreciate the opportunity to EARN your business.

Installed Options

Interior

- Seats, front 40/20/40 split-bench, 3-passenger, driver and front passenger manual reclining center fold-down armrest with storage, lockable storage compartment in seat cushion (includes auxiliary power outlet), adjustable outboard head restraints and storage pockets on Extended and Crew Cab models
