Make no mistake, this is one of the nicest used trucks that I have seen in a long time. With only 69K miles on it and it looks like it. It is a ONE OWNER truck with NO ACCIDENTS, and it is born and raised in Texas. Beside that it has an eight-footbed that is very hard to find these days. Inside and out this truck looks like a new truck. It has a scratch on the bed but outside of that it is hard to discount this truck. We had had this truck checked out by a local garage for any problems that it might have, and they said it need nothing. This V6 truck runs and drives excellent and has no issues at all. There is a nice set of matching tires on it and the spare looks like it has never been out of the truck. The cloth interior is as nice as you will find in a used vehicle. Honestly, I could go on and on about this truck, but I think you will need to come look at and drive this truck to appreciate it. We have a Car Fax available for you to check out as well. Give Rocky Reynolds a call at 214-542-7794 if you would like to make an appointment or to just ask some questions. We are a family owned and operated business in Texas since 1949 with a 4.9 rating on Google so give us a shot. You won't be sorry.
