We are proud to offer you this 2015 Cadillac Escalade Luxury Cammed with Many Upgrades for sale!

This Cadillac Escalade Luxury is known for being one of the most well-equipped SUVs produced on the American continent. Equipped with a 6.2-liter V8 that makes 420 horsepower and 460 lb-ft of torque, this vehicle is one of few truly capable luxury SUVs, and the addition of aftermarket modifications including an upgraded camshaft, long-tube headers, and a Borla exhaust system only emphasize that point further. An eight-speed automatic transmission carries the output from this engine to all four wheels in the incredibly smooth fashion that befits only a Cadillac. Fitted with 22" Lexani F/1 wheels wrapped in Nitto Recon Grappler A/T tires and finished in deep black, this SUV has the looks to match the opulence contained within. Included in the interior of this SUV are plush leather seats in all three rows, multiple-zone air conditioning, high-quality interior materials, and a touchscreen infotainment display with navigation, Bluetooth, and a rear camera.
