<b>Interior:</b>	Black Cloth
<b>Mileage:</b>	65,659
<b>Drivetrain:</b>	Front Wheel Drive

These are getting hard to come by. This is a previous rental so it has had all of the service work done on a regular basis since it was new. The van runs and drives just like it is suppose to. It is nicely equipped with power windows and door locks, tilt wheel with cruise control, power heated mirrors, am fm stereo, steering wheel controls and a backup camera. There are more options so I have just listed a few of them. It shows on Car Fax that it is a one owner vehicle with no accidents. It has an almost new set of tires on it and it is real clean both inside and out. There are no roof dents like a lot of them have. We have had it checked by a certified mechanic for any mechanical or electrical issues. brakes checked and for any leaks and none were found. This is a good solid van that will give you years of service if taken care of like it has been in the past. We do offer Bank financing for this commercial vehicle which is very hard to find these days. If you are interested in coming in to look at and drive it please give Rocky Reynolds a call or text to 214-542-7794 and he will work with you on a good time for you to come in. We are a family owned and operated business in Texas since 1959 and we sell mostly working type trucks and vans. We would appreciate the opportunity to EARN your business.
