2020 Chevrolet Silverado High Country For Sale

The 2020 Chevy Silverado High Country comes equipped with class-leading safety and convenience technology. The cabin is loaded with a rich leather interior and faux-wooden accents. It's good looking, functions well and is impressively comfortable especially for a pickup. The infotainment system is as good as they come: easy to use and reliably useful. Your satellite radio, Apple Car Play, Android Auto or navigation comes through a Bose premium audio system.

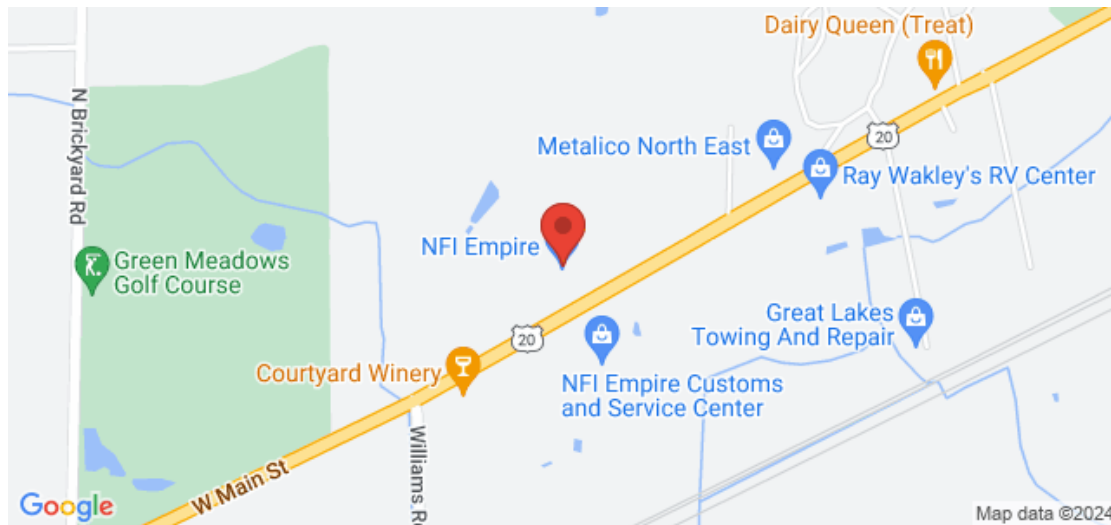

Forward collision alert, automatic braking, automatic high-beams, heads-up display, lane-keep assist, dynamic cruise control and wireless phone charging are many of the deluxe features in this High Country

Under the hood is a 6.2L V8, the larger and more powerful gasoline engine. It produces 425 horsepower and, paired with GM's 10-speed automatic transmission, is sufficiently fuel-efficient even under load. A best-in-class towing capacity of 13,400lbs is impressive.

Installed features include factory sidesteps, 22" wheels and a tonneau cover. Come see how much you love driving this Silverado on the road.
