Lease return just arrived, and it is super nice both inside and out. It is a local vehicle and has an excellent Car Fax history with no damage or accidents. This Diamond White color is the best-selling color on an Escalade and combined with the Kona Brown Leather interior makes for a beautiful vehicle. This SUV has just been serviced and inspected for any mechanical or electrical issues and one was found. They determined that it needed front struts, so we replaced them. Other than that they didn't find anything else that needed attention. It has an almost new set of Michelin tires on it as well. All of the many options on it work like they were designed to. This Escalade rides and drives like a dream and has no rattles or air leaks anywhere. Of course, it is loaded up with options but most of them are. To really see how nice this SUV is you really need to come look at and drive it to appreciate what we are talking about. If you want to come in or just ask some questions you can either call or text Rocky Reynolds at 214-542-7794 and he will be happy to help you in any way he can. We are a family owned and operated business in Texas since 1959 with a 4.5 customer satisfaction index. We treat people the way we want to be treated. Look forward to hearing from you.
