Nothing better than a truck that has spent its entire life in the great state of Texas. Please view the accident free Carfax report included with this listing. This is a truck that could easily be a daily driver, a weekend ranch truck or a coffee shop trip truck. While you enter the back seat by climbing behind the front seats once in the rear seat has adequate space. Plenty of room for a couple car seats or your teenage kids. The factory seating is in great condition considering the age. The tires are new. The previous owner did update the front headlamps to LED's.

Two door Tahoes are getting increasingly more difficult to find. Unaltered relatively stock trucks like this one are even harder to find. Hagerty collector car insurance has some very interesting valuation information on their website.
