This 2019 Ford Mustang GT is a heavily modified, all-American muscle car. The engine is not stock, however, having received full bolt-ons, including a JLT cold-air intake, a JLT 3.0 catch can, and aftermarket long-tube headers, among many other modifications. This muscle car comes equipped with 20" TSW wheels in gloss black and is finished in Oxford White, a color that makes this car stand out fantastically. Additionally, several cosmetic mods, including aftermarket clear taillights, a ducktail spoiler, an aftermarket chin spoiler, and a GT500-style front bumper adorn the exterior of this muscle car, making it even more unique. In the interior, this Mustang offers cloth bucket seats, a Coyote white ball shift knob, an nGauge tuning and diagnostics gauge, and an infotainment system with rear camera, Bluetooth, phone connectivity, truly making this car the complete package.
