This super nice Chevy Tahoe Z71 will have to be a CASH deal only. We don't do in house financing and our Bank's won't finance a vehicle this old, so it is CASH ONLY. I bought this Tahoe from the previous owner that has had it for about nine years, and it has been well cared for by him. In fact, it has been garage kept all of the time he owned it and that is one reason that it looks so good. It was his wife's vehicle, and she didn't drive it that much. I can tell you that he just recently put new struts in it and had it serviced and inspected. It runs and drive excellent and all of the options on it work like they were designed to. The A/C is ice cold as well. The leather interior is in excellent condition, and it has a very good set to tires on it. He replaced the wheels with factory wheels from a 2020 Tahoe just to make it look better. It has been in Plano all of its life and it has a good clean Car Fax history with no accidents. All I know is that this SUV for the condition that it is in won't last long at this price especially with the equipment that it has and the condition that it is in. If you have any interest in it please give Rocky Reynolds a call or text to 214-542-7794 and he will work with you for a good time for you to come in and check it out. We are a family owned and operated business in Texas since 1959.
