we are proud to offer you this 2018 Ford Mustang GT Premium with Many Upgrades for sale!

This 2018 Ford Mustang GT Premium is a menacing muscle car with the perfect modifications. Under the hood, a 5.0-liter V8 engine produces 460 horsepower and 420 lb-ft of torque, all of which is sent through a ten-speed automatic transmission to the rear wheels. This Mustang comes equipped with 20" Project 6GR 6GR-10 wheels and is finished in a deep Shadow Black, a color that only adds to the aggressive appearance of the car. Additionally, several cosmetic mods, including a Cervini cowed hood, an APR Racing carbon fiber front lip, a GT500-style front bumper, and a carbon fiber ducktail spoiler, adorn the exterior of this high-performance machine, making it even more unique. In the interior, this heavily-equipped Ford offers heated and ventilated red leather bucket seats, an aftermarket leather and carbon fiber flat-bottomed steering wheel with shift timer lights, multi-zone air conditioning, a digital gauge cluster, and an infotainment system with navigation, climate controls, Bluetooth, and a rear camera, truly making this car the complete package.
