One Owner. Bought new in McKinney. I have a folder full of service records that the previous owner kept. This is a super nice vehicle that is as clean as you will find on the market today. It is the Limited Edition with leather and looks like it has every option available on it. This car runs and drives like a dream and out shop could not find anything that it needed. There is an almost brand-new set of tires on it as well. Subaru makes an excellent vehicle that is top rated for both reliability and safety. After driving this vehicle and feeling the quality of it I was surprised. When you take a look around this SUV you will be pleased at how nice it is inside and out. The tan leather interior looks like new and the exterior still shines like new. It has the factory floor mats along with a rubber set of factory mats over them. The previous owner took pride in his ownership, and you can certainly tell by looking at it and driving it. Should you want to come in and take a look and drive please give Rocky Reynolds a call or text at 214-542-7794 so we can set up a convenient time for you to come in. We are a family owned and operated business in Texas since 1959. We would appreciate just the opportunity to earn your business.
