A super nice Subaru Outback Limited that is loaded up with all of the equipment. It was sold new in McKinney and has lived in the local area all of its life. You can tell by the condition of this vehicle that the previous owner took pride in ownership of their vehicle. This car is super nice both inside and out. The leather interior looks like new and is flaw free. The exterior looks very good also and still shines like a new one. All of the power options on this car work like they were designed to. This is the top-of-the-line Subaru and has a five-star rating. We are a family owned and operated business in Texas since 1959. We would appreciate the opportunity to earn your business. If you would like to make an appointment to come in for a little test drive, please give Rocky Reynolds a call or text to 214-542-7794.
