A real nice 2015 Ford F150 Super Cab and it runs and drives like a new one. You can tell by the condition of this truck that the previous owner took pride in ownership of his truck. The leatherette seats look like new and have no rips or tears. The rubber mats look like new as well. When you walk around this truck and examine the exterior you will be pleasantly surprised at how nice it is. It has quite a bit of equipment like bucket seats, console, power windows and door locks with tilt wheel and cruise control. There is a rubber bed mat in it that looks like it has been there since it was new. It has a real good set of tires on it and we have just had it serviced and inspected at a Ford dealership. This truck is nice and ready for a new home. You interested? If so give Rocky Reynolds a call or text to 214-542-7794 and we can arrange a good time for you to come in and check it out. We are a family owned and operated business in Texas since 1959. We would appreciate the opportunity to earn your business.
