Vehicle Description

It's been a long time since I have run across a used vehicle this nice. This 2016 Range Rover HSE Supercharged SUV is as nice a used vehicle that you will see regardless of the year model. It has very low miles on it for the year model and all of the service work has been done by a Range Rover dealer. The leather interior looks like new, and the exterior is shiny as a new one. It has a new set of tires just put on about 3K miles ago. Every factory option on it works like it was designed to. Look at all of the pictures and I believe you will agree with me that it is super nice. We do offer Bank rate financing and we will work with your Bank or Credit Union as well. We accept trades as well. If you have any question or would like to make an appointment, give Rocky Reynolds a call or text to 214-542-7794 and he will be happy to work with you on a good time for you to come in and check it out. We are a family owned and operated business in Texas since 1959 and sure would appreciate the opportunity to earn your business.
