A nice hard to find Ford F150 reg cab with a 8' bed. This is a real nice truck with a clean car fax history as well. It has a nice set of matching tires on it and doesn't look like the spare has ever been used. This truck runs and drives excellent, has no mechanical or electrical issues and all of the factory options on it work like they were designed to. It does have a bed cover that is in good working order along with a trailer tow package. That gives you a transmission oil cooler and a heavy-duty battery. We have had it inspected for any mechanical or electrical issues and it came back with a clean bill of health. We have quite a few work type trucks available if this is not the one for you. We do offer Bank rate financing for almost all types of credit, and we do take trade ins. If you have any questions regarding this or any other of our vehicles just give Rocky Reynolds a call at 972-943-7799 and he will be happy to help you in any way, he can. We are a family owned and operated business in Texas since 1959 with a five-star rating. We would appreciate the opportunity to earn your business.
